2027 Sponsorship Prospectus

What if divorce didn't have to mean a courtroom battle?

As a collaborative lawyer and longtime member of Collaborative Divorce Texas, I have seen what becomes possible when families have a way to address difficult decisions with dignity and respect. CDT brings together attorneys, financial professionals, and mental health professionals who are committed to helping families find that path.

Sponsors help us carry this work forward. Their support strengthens professional education, builds connections across disciplines, and helps more Texans learn that collaborative divorce is an option.

I invite you to sponsor CDT's 2027 programming. Your organization will connect with an engaged statewide professional community while helping us make this approach more widely known and available to Texas families.

Thank you for considering a partnership with CDT. We look forward to working with you.

Warmly,

Craig Haston, JD
